

ANNOUNCEMENT

PHOTORECEPTORS
VIth International Conference on Retinal Proteins
June 19 - 24, 1994
State University, Leiden, The Netherlands

Focus in the discussions will be on

Registration: fl 450⁰⁰

- (i) Structure of photoreceptors
- (ii) Photoreactions in retinal proteins
- (iii) Molecular mechanisms of light energy transduction and amplification of photosignals

Chairman of organizing committee: Prof. Dr. J. Lugtenburg, State University, Leiden, The Netherlands

ASP '94

The 22nd Annual Meeting of the American Society for Photobiology will be held June 25-29, 1994, at the Camelback Marriott Hotel, Scottsdale, Arizona (a short drive from the Phoenix Airport).

Meet old and new colleagues who research/teach/practice throughout the spectrum of the photo-biological field while attending the various sessions, which have been designed for broad appeal.

The program will include **Lectures, Short Courses, and a School** covering **New Topics, Major Themes, Traditional Favorites and Clinical Areas.**

Both **members and nonmembers** of ASP are encouraged to attend. Nonmembers may obtain a program booklet and registration information from:

ASP Secretariat
BioTech Park, Suite 9
